FBIB-BBC MONITORING COVERAGE

DEFINITION OF COVERAGE PRIORITIES: KEY

DEFINITION OF COVERAGE

- Category A.** Complete monitoring of a station's entire output, except pure entertainment, at all hours when it is operating.
- " **B.** Daily monitoring of all important scheduled news broadcasts of a station.
- " **C.** Daily monitoring of certain selected broadcasts of a station when audible.
- " **D.** Irregular monitoring of a station when circumstances permit.
- " **E.** Monitoring of a station only when special events dictate.

PRIORITIES

1. Coverage considered essential to meet minimum consumer requirements and which will be strictly adhered to unless prevented by force majeure, in which case the responsible Service will notify the other.
2. Coverage not included in priority (1) but which will be fulfilled within the limits of the existing and varying capacity of the responsible Service.
